Notes:

1. The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 ("the Act") with respect to Item nos. 3 & 4 of the Notice is annexed hereto and forms part of this Notice. The Board of Directors has considered and decided to include Item Nos. 3 & 4 as given above as Special Business in the forthcoming AGM as they are unavoidable in nature. The relevant details as set out under Item No. 2 of the Notice pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Secretarial Standard - 2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") in respect of the Director seeking re-appointment at this AGM are also annexed to this Notice.

In compliance with the aforementioned provisions of the Act and Listing Regulations, electronic copy of the Annual Report for the Financial Year 2022-23 is being sent to all the Members whose e-mail addresses are registered with the Company / Depository Participant(s) for communication purposes. In case any Member is desirous of obtaining hard copy of the Annual Report for the Financial Year 2022-23 and Notice of the 28th AGM of the Company, may send request to the Company's e-mail address at cs@easternlogica.com mentioning Folio No./DP ID and Client ID.

2. Members who have questions or seeking clarifications on the Annual Report or on the proposals as contained in this Notice are requested to send email to the Company on cs@easternlogica.com on or before 5:00 p.m. on Monday, August 21, 2023. This would enable the Company to compile the information and provide the replies at the meeting. The Company will be able to answer only those questions at the meeting which are received in advance as per the above process. The Company will allot time for members to express their views or give comments during the meeting. The Members who wish to speak at the meeting need to register themselves as a speaker by sending an e-mail from their registered e-mail ID mentioning their name, DP ID and Client ID / Folio number and mobile number, on e-mail ID, cs@easternlogica.com on or before 5:00 p.m. on Monday, August 21, 2023. Depending on the availability of time, the Company reserves the right to restrict the number of speakers at the meeting.
3. Pursuant to Section 113 of the Act, institutional / corporate members are requested to send a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the AGM, before e-voting / attending AGM, to cs@easternlogica.com.
4. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of the Company Secretaries of India ("ICSI"), Regulation 44 of Listing Regulations 2015, and the Circulars issued by the MCA dated April 8, 2020, April 13, 2020 and May 5, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 28th AGM to those Members participating in the 28th AGM to cast vote through e-voting system during the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited ("NSDL") for facilitating voting through electronic means, as the authorised agency. The facility of casting votes by a member using remote e-voting system as well as e-voting on the date of the AGM will be provided by NSDL.

This policy establishes a vigil mechanism for directors and employees to report their genuine concerns actual or suspected fraud or violation of the Company's code of conduct. The said mechanism also provides for adequate safeguards against victimization of the persons who use such mechanism and makes provision for direct access to the chairperson of the Audit Committee. We confirm that during the financial year 2022-23, no employee of the Company was denied access to the Audit Committee. The said Whistle Blower Policy is available on the website of the Company at www.easternlogica.com.

The Board of Directors has approved a Code of Conduct which is applicable to the Members of the Board and all employees in the course of day to day business operations of the company. The Company believes in "Zero Tolerance" against bribery, corruption and unethical dealings / behaviors of any form and the Board has laid down the directives to counter such acts. The Code has been posted on the Company's website www.easternlogica.com.

The Code lays down the standard procedure of business conduct which is expected to be followed by the Directors and the designated employees in their business dealings and in particular on matters relating to integrity in the work place, in business practices and in dealing with stakeholders. The Code gives guidance through examples on the expected behavior from an employee in a given situation and the reporting structure.

All the Board Members and the Senior Management Personnel have confirmed compliance with the Code. All Management Staff were given appropriate training in this regard.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2023
[Pursuant to section 204(1) of the Companies Act, 2013 and rule
No.9 of the Companies (Appointment and Remuneration Personnel)
Rules, 2014]

To,
The Members,
EASTERN LOGICA INFOWAY LTD

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by EASTERN LOGICA INFOWAY LTD (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011:- Not applicable to the Company during the Audit period;

 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021:- Not applicable to the Company during the Audit period;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008:- Not applicable to the Company during the Audit period;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.

- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021:- Not applicable to the Company during the Audit period;
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018:- Not applicable to the Company during the Audit period;
- (i) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013- Not Applicable for the period under review
- (j) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015- However Regulation 17 to 27 not applicable as it is a SME listed company on BSE Stock Exchange.
- (k) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018.
- (vi) As informed to us, there are no other Sector specific laws which are specifically applicable to the Company

We have also examined compliance with the applicable clauses of the following:

- Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings and General Meetings.
- The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Director's and Independent Director's.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance or with shorter notice giving reasons thereof, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

This Report is to be read with my letter of even date which is enclosed as Annexure A and forms integral part of this Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

2. INDUSTRY STRUCTURE AND DEVELOPMENT

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

India, considered a popular manufacturing hub, has grown its domestic electronics production from US\$ 29 billion in 2014-15 to US\$ 67 billion in 2020-21. The electronics sector of India contributes around 3.4% of the country's Gross Domestic Product (GDP). The government has committed nearly US\$ 17 billion over the next six years across four PLI Schemes: semiconductor and design, smartphones, IT hardware, and components.

Recently, the Ministry of Electronics & Information Technology released the second volume of the Vision document on Electronics Manufacturing in India, which stated that the electronics manufacturing industry will grow from the current US\$ 75 billion in 2020-21 to US\$ 300 billion by 2025-26. The major products that are expected to drive growth in India's electronics manufacturing are mobile phones, IT hardware (laptops, tablets), consumer electronics (TV and audio), industrial electronics, auto electronics, electronic components, LED lighting, strategic electronics, Printed Circuit Board Assembly (PCBA), wearables and hearables, and telecom equipment. Mobile manufacturing is expected to cross US\$ 100 billion in annual production growth from the current US\$ 30 billion by accounting for nearly 40% of the industry growth.

The IT sector in India is one of the largest contributors with a 9% contribution to GDP. The industry is around US\$ 194 billion and is expected to surpass US\$ 300-350 billion by 2025. India's IT industries and companies are majorly located in the southern regions such as Bangalore, Hyderabad, Chennai, Visakhapatnam, Trivandrum, Mysore, Mangalore, Kochi, etc. The country's major information technology hubs are Mumbai, Pune, Delhi, etc.

RECENT ECONOMIC DEVELOPMENTS IN INDIA ARE AS FOLLOWS:

AMPLIFYING GROWTH

- India is expected to have a digital economy of \$ 1 Tn by 2025
- One of the largest electronic devices industries in the world anticipated reaching \$ 300 Bn by FY 2025-26
- India's exports is set to increase rapidly from \$ 10 Bn in FY21 to \$ 120 Bn in FY26.
- Production of mobile handsets is further slated to increase in value from \$ 30 Mn in FY 21 to \$ 126 Mn in FY 26.
- India produces roughly 10 mobile phones per second which amounts to ~\$ 930 worth of production every second.
- India's semiconductor market is expected to increase from ~\$ 15 Bn in FY20 to ~\$ 110 Bn in FY30, growing at a CAGR of 22%

- 100% FDI is allowed under the automatic route. In the case of electronics items for defence, FDI up to 49% is allowed under automatic route and beyond 49% through the government approval.

Electronic goods have emerged as a major component in India's merchandise imports and have been driven by telecom instruments. Within telecom instruments, the imports of mobile phone parts have been the major contributor from 2015-16 onwards and coincidentally mobile phone imports have trended down. This is corroborated by a close examination of component wise imports and domestic production of telecom instruments which point towards an increasingly higher domestic value addition in recent years. This move from essentially consumption driven imports to production induced imports has largely been conditioned by the policy impulses to increase domestic production which is a desirable outcome against the backdrop of high domestic demand.

They are also fluent in the regional languages where they are stationed, which contributes to the ease in establishing a strong connection with our customers. We also strive to achieve customer satisfaction by providing a reliable after-sales support with the help of our dedicated store-wise customer support equipped with trained, skilled, and experienced team members. Further, we have also set up smooth distribution networks and effective tracking systems, to ensure timely delivery of our products with limited procurement costs.

5. THREATS

Global economic, political and social conditions may harm our ability to do business, increase our costs and negatively affect our stock price.

Global economic and political factors that are beyond our control, influence forecasts and directly affect performance. These factors include interest rates, rates of economic growth, fiscal and monetary policies of governments, change in regulatory framework, inflation, deflation, foreign exchange fluctuations, consumer credit availability, consumer debt levels, unemployment trends, terrorist threats and activities, worldwide military and domestic disturbances and conflicts, and other matters that influence consumer confidence, spending and tourism.

Civil disturbances, extremities of weather, regional conflicts and other political instability may have adverse effects on our operations and financial performance.

Certain events that are beyond our control such as earthquake, fire, floods and similar natural calamities may cause interruption in the business undertaken by us. Our operations and financial results and the market price and liquidity of our equity shares may be affected by changes in Indian Government policy or taxation or social, ethnic, political, economic or other adverse developments in or affecting India.

Natural calamities could have a negative impact on the Indian economy and cause our Company's business to suffer.

The Covid-19 pandemic had brought the world to a standstill affecting all sectors and the livelihood of many are at stake including the Indian economy. However, our Country is achieving normalcy by various measures taken by the Government. The pandemic is still to be controlled and any major outbreak will seriously impact our business. Further, our Country in the past has experienced natural calamities such as earthquakes, tsunami, floods etc. The extent and severity of these natural disasters determine their impact on the Indian economy. Prolonged spells of abnormal rainfall or other natural calamities could have a negative impact on the Indian economy, which could adversely affect our business, prospects, financial condition and results of operations as well as the price of the Equity Shares.

Terrorist attacks, civil unrests and other acts of violence or war involving India or other countries could adversely affect the financial markets, our business, financial condition and the price of our Equity Shares.

Any major hostilities involving India or other acts of violence, including civil unrest or similar events that are beyond our control, could have a material adverse effect on India's economy and our business. Incidents such as the terrorist attacks in India, other incidents such as those in US, Indonesia and London, and other acts of violence may adversely affect the Indian stock markets where our Equity Shares will trade. Such acts could negatively impact business sentiment as well as trade between countries, which could adversely affect our Company's business and profitability. Additionally, such events could have a material adverse effect on the market for securities of Indian companies, including the Equity Shares.

6. THE FUTURE OUTLOOK

In keeping with the challenges of change, our Company was looking at ways to take advantage of the emerging situation. In this context, the Company had already started the Export. This will not only ensure that your company is on a fast-track growth path, but also add tremendous value to your investment in the Company.

7. RISKS AND CONCERNS

The Risk factors have been determined on the basis of their materiality. The following factors have been considered for determining the materiality:

1. Some risks may not be material individually but may be material when considered collectively.
2. Some risks may have material impact qualitatively instead of quantitatively.
3. Some risks may not be material at present but may have a material impact in the future.

Our stores and distribution centres are concentrated mainly in West Bengal and Delhi, and we generate majority of our revenue from our stores in these states. Any adverse developments affecting our operations in these states could have an adverse impact on our revenue and results of operations.

We derive majority of our revenue from sale of our product in West Bengal and Delhi. Existing and potential competitors to our businesses in these states may increase their focus on these states, which could reduce our market share. For example, our competitors may intensify their efforts in these states to capture a larger market share by launching aggressive promotional campaigns. The concentration of our operations heightens our exposure to adverse developments related to competition, as well as economic, political, demographic and other changes, which may adversely affect our business prospects, financial conditions and results of operations. Any adverse development that affects the performance of the stores located in this state could have a material adverse effect on our business, financial conditions, and results of operations.

Our inability to promptly identify and respond to changing customer preferences or evolving trends may decrease the demand for our merchandise among our customers, which may adversely affect our business.

Our Company is primarily engaged in multi-brand retail selling as well as distribution of branded smart phones, IT hardware, software and allied accessories and services. Our success depends upon our ability to forecast, anticipate and respond to the changing customer preferences and trends in a timely manner. Though we do not design or manufacture the products that we sell in our store and only procure the same through vendors and third-party manufacturers, any failure by us to understand prevailing trends or to forecast changes could result in merchandise obsolescence, thereby increasing the dead stock and loss of our brand image amongst our customers, which could have a material adverse effect on our business and results of operations. Any inability to respond to changes in consumer demands and market trends in a timely manner could have material adverse effect on our business, financial conditions, and results of operations.

We operate in a competitive industry and our market share may be adversely impacted in case we do not keep ourselves apprised of the latest consumer trends and technology and if we fail to compete effectively in the markets in which we operate.

We operate in a competitive industry which is characterized by rapid shifts in consumer trends and technology and our market share may be adversely impacted at any time by the significant number of competitors in our industry that may compete more effectively than us. These frequent changes and their impact on consumer demand may result into both price and demand volatility, leading to change in the competitive scenario. Due to the expansive nature of our business, we face competition from various kinds of players including, players operating in retail, wholesale and e-commerce space. We compete with national and local department stores, independent retail stores and internet businesses that market similar lines of merchandise as us. Many of our competitors are, and many of our potential competitors may be, larger, and may have substantially greater financial, marketing and other resources and, therefore, may be able to adapt to changes in customer requirements more quickly and devote greater resources in marketing and sale of their products or adopt more aggressive pricing policies than we can. We face a variety of competitive challenges, including pricing our products to remain competitive while achieving a customer perception of comparatively higher value, anticipating and quickly responding to changing consumer demands. Similarly, some of our organized competitors may also have advantages over us on account of, more prominent locations of their stores, more efficient distribution networks, better trained employees, greater geographic reach, broader product ranges or access to a large pool of financial resources. As a result, we will need to put in efforts to create brands

and propositions that will provide access to high value products and also create a customer connect to our brand identity.

Our business is subject to cyclical volatility due to which there may be fluctuation in the sales of products which could lead to higher closing inventory position, which may adversely affect our business.

We offer products at our stores that our consumers require, and our success is dependent on our ability to meet our consumers' requirements. The retail consumer spending is heavily dependent on the economy. Our revenue and profits may vary during different quarters of the financial year and certain periods may not be indicative of our financial position for a full financial year or future quarters or periods and may be below market expectations. Further, any unanticipated decrease in demand for our products during our peak selling period could result into higher closing inventory position, which may lead to sale and liquidation of inventory getting delayed against the trajectory under normal course of business, which could adversely affect our financial position and business operations. Fluctuations in the electronic retail market affect the inventory owned by electronic retailers, since merchandise usually must be manufactured in advance of the season and frequently before the trends are evidenced by customer purchases. In addition, the cyclical nature of the retail electronics business requires us to carry a significant amount of inventory, especially prior to peak selling periods when we build up our inventory levels.

Our Company's business relies on the reliable performance of its information technology systems and any interruption or abnormality in the same may have an adverse impact on our business operations and profitability.

Our Company utilises its information technology systems to monitor all aspects of its businesses and relies to a significant extent on such systems for the efficient operation of its business, including, the monitoring of inventory levels, the allocation of products to our stores and budget planning. Our Company also relies on third party providers for providing internet services. A downtime in services of any of these providers or if any of the softwares, hardware or applications become unavailable due to extended outages, interruptions or because they are no longer available on commercially reasonable terms, it could result in delays. Delays in order processing are reduced as our Company utilizes the physical billing procedure in case there is a downtime in the information technology systems. The physical billing procedure is subject to human errors and frauds, which may affect our reputation and profitability. Our Company's information technology systems may not always operate without interruption and may encounter temporary abnormality or become obsolete, which may affect its ability to maintain connectivity with our Stores and Distribution Centres. We cannot assure that we will be successful in developing, installing, running and migrating to new software systems or systems as required for its overall operations. Also, our Company cannot guarantee that the level of security it presently maintains is adequate or that its systems can withstand intrusions from or prevent improper usage by third parties.

Also, our computer networks may be vulnerable to unauthorised access, computer hackers, computer viruses, worms, malicious applications and other security problems caused by unauthorised access to, or improper use of, systems by third parties or employees. Although we have not experienced such attacks in the past, we cannot assure you that our security systems in place can prevent any such attacks in the future or that we will be able to handle such attacks effectively. Our Company's failure to continue its operations without

interruption due to any of these reasons may adversely affect our Company's results of operations.

`50,00,000 (Rupees Fifty Lakhs) and alteration in the Clause-V (Capital Clause) of Memorandum of Association relating to Share Capital of the Company. Total Paid up share capital after issue is ` 2,85,06,990 (Two Crore Eighty Five Lakh Six Thousand Nine Hundred and Ninety).

9. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's internal control systems are commensurate with the nature and size of its business. These systems ensure that all assets of the Company are safeguarded and protected against any loss or damage and that all transactions are properly authorized, recorded and accounted for.

10. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

It is the Company's firm belief that its people constitute the primary source of its sustainable competitive advantage. Our success in the future will depend on our ability to continue to maintain a pool of experienced personnel. We aim at identifying fresh talent, training, grooming them and providing opportunities for growth. We have been successful in building a team of talented professionals and intend to continue placing special emphasis on managing attrition and attracting and retaining our employees. We also provide technical and functional training to our employees. We intend to further improve our training programmes to ensure that our employees have the skills to meet our customers' demands and provide quality customer service. We intend to continue to encourage our employees to be enterprising and help them to 'learn on the job' and grow within our organisation.

11. CAUTIONARY STATEMENT

Statement in this Management Discussion and Analysis describing the Company's objective, projects, estimates and expectations may be 'forward-looking statement' within the meaning of applicable laws and regulations.

Actual results may vary significantly from the forward-looking statements contained in this document due to various risks and uncertainties. Several factors could make a significant difference to the Company's operations.

These include economic conditions, government regulations and tax laws, political situation, natural calamities, among others, over which the Company does not have any direct control.

INDEPENDENT AUDITOR'S REPORT

To The Members of EASTERN LOGICA INFOWAY LIMITED,

Report on the Audit of the Financial Statements:

Opinion:

We have audited the financial statements of **EASTERN LOGICA INFOWAY LIMITED** ("the company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do

not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluation the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the

planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the "Annexure A" statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - (d) In our opinion the aforesaid financial statements comply with Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.
 - (e) On the basis of written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financing reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF EASTERN LOGICA INFOWAY LIMITED FOR THE YEAR ENDED MARCH 31, 2023

Report on the Internal Financial control under clause (i) of Sub-section 3 of Section 143 of the Act, 2013 ("the Act")

To the members of Eastern Logica Infoway Limited,

We have audited the internal financial controls over financial reporting of EASTERN LOGICA INFOWAY LIMITED ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

R. RAMPURIA & COMPANY

Chartered Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
